

Join us for Online All Worship and Connections for Adults @ Home

As we continue to feel isolated from each other in these challenging times, here is our regular virtual Worship Service. Immediately following worship, we will host Connections, a time for our community of faith to connect. The same Zoom link will be used for Gatherings for Adults @ Home where all adults are invited. Please invite family and friends to join us. All are welcome.

On the church website are: Sunday's Worship PowerPoint, Prayers and Sermon Text. Also there are Devotions & other Resources online <https://lchsemmaus.org/>, Facebook Live <https://www.facebook.com/LCHSEmmaus/>

Tips and Tricks:

- **If you opt in for video**, please be aware you will be seen by all participants. Jesus and Jammies are ok, however please keep it "G" rated. If you opt in for video, please look into your "box" to verify that we can see you and that your face is in the middle of the "box".
- **If you have trouble with either audio or video**, please check your computer/device privacy settings. Allow your audio, video and microphone. Also, allow them when joining the Zoom meeting.
- **You will be on Mute during worship or the presentation time of a gathering.** - When you join the meeting, you will be automatically muted. This means the people in the meeting will NOT hear your voice. This is normally a setting you can control, but as we expect a lot of participation, we are automatically muting all participants. We will unmute the meeting for all to discuss during the Sunday fellowship time of Connections and Gatherings for Adults.
- **You can participate with just a phone!** - Remember, you do NOT have to have a computer or smart device to hear the audio from Worship or Connections or Gathering time. You can simply use your phone or cell phone to call the numbers above and follow the prompts.
- **Zoom Best Practices**
 - The participants picture box is highlighted when they are speaking.
 - Because of audio feedback, only one person should speak at a time. Muting when you aren't speaking. Unmute when you want to speak.
 - Gallery view is in the upper right corner, but that will only be useful when we are in the fellowship time of Connections. Our host can explain that during the actual event.
