RECENT OUTREACH ACTIVITIES SUMMARY

As of 10/29, and with one more week to go, our God's Work Our Hands service initiative assembled and collected 169 Personal Care Kits to be donated to Lutheran World Relief.

Our Zoom Blessing of the Animals service on 10/3 collected \$50 for the Animals in Distress shelter.

CAUSE OF THE MONTH **Are you Comfortable Proclaiming the Good News?**

Jesus commands us to go make disciples and reminds us he will always be with us. **Evangelism is not about techniques or right practices** but rather about God working through us to become witnesses to the Good News of Jesus Christ. The very word "evangelism" has roots tied to angels and messengers announcing the Good News through word and deed.

Sometimes talking about Jesus with other believers can even be difficult, let alone with not-yet-believers. Fears of not knowing enough, feeling awkward, or thinking we might ruin a good relationship can stop us.

So what does it take to get us to feel comfortable talking about sharing God's love?

Maybe just taking the time to speak and hear words about Jesus in conversations with other believers can help. Everyone loves to hear a story so why not tell one about how you experience Jesus in your life. Our church is a safe place where we can comfortably speak to others about difficult topics. As church, we meet one another as bringers of Good News and we need to hear the Word spoken to encourage us when we are uncertain or in doubt.

During the next month, just off the cuff, ask someone, "Do you think you'll go to heaven when you die?" That should get the conversation going! And pray for guidance and courage to go where God is leading you to change lives.

COMMUNITY SPOTLIGHT Operation Bootstrap Africa

Operation Bootstrap Africa (OBA) partners with Africans to strengthen their future through education, healthcare, agriculture, and other long-term development projects. Founded in 1965 by a Lutheran missionary, OBA is rooted in a "bootstrap" philosophy of **helping people help themselves**. OBA is the organization through which Holy Spirit channels funds to The Plaster House, the Arusha Lutheran Medical Center Nursing School and the MaaSAE Girls Lutheran Secondary School.

When the Holy Spirit team traveled to Tanzania in 2016, one of the places we visited was the Olchoki Primary School. There we witnessed the challenging circumstances under which dedicated teachers work with 1400 children, sometimes with 70 in one classroom seated three on a bench. Most importantly though we met the children.

During that visit a staff member showed us the cinder block building OBA was helping them build for a kitchen. At the time they were only able to cook in a big pot over a small open fire of sticks on the cement floor and could only feed the orphans (the poorest of the poor) one meal a day. We learned of their plans to raise funds through OBA to get 3 stoves and thus be able to feed each child at the school. After we returned, Dianne Fox and Ruth Doty shared the story of our trip with New Jerusalem Lutheran Church in Fleetwood. One of its parishioners then challenged the congregation to raise the funds needed for 1 of the stoves. That would take several thousand dollars, a challenge for a small congregation, but they did it. Today Olchoki School feeds every student. Thank God for OBA and for the way churches work together to help God's people.

To catch a glimpse of the fruits of the Spirit's work, [watch this video from OBA](#). It's short but so exciting. We can't stop smiling when we watch it.
