**ANNUAL REPORTS** are due to the church office no later than Friday, January 8, 2021 in preparation for our annual congregational meeting which will be held on Sunday, February 7, 2021.

**REJOICING SPIRITS** We will be having their first ever **ZOOM** Christmas Pageant. Thank you to our Rejoicing Spirits' Team for their hard work in allowing our Rejoicers to present the Christmas Story in a virtual setting. Our Rejoicers are super excited to be able to present the Christmas Story to us. Please join them on Sunday, December 13, 2020 at 2:30 pm.

**ADVENT CRAFT PACKETS** for children are available for pick up at the Canopy Entrance. Feel free to take one packet per child from the labeled bin. The crafts make great gifts to share at Christmas.

## Financial Results and Discussion – November 2020

**Operating Performance:** November operating income of \$58,937 was \$1,370 higher than expected. November operating expenses of \$84,182 were \$14,250 higher than expected. In our continued focus on outreach, Council authorized paying the remainder of 2020 budgeted benevolence in November rather than December which added \$16,000 to November expenses. As a result, our net income for November was below projections by \$12,880 (-\$25,245 actual rather than the expected -\$12,365). With the November operating results our operating cash reserve is \$98,924.

We received some fantastic news this month! Our PPP loan of \$136,474 was fully converted to a grant. We used \$9,962 to pay salaries for the Nursery School last Spring, and the remainder to pay staff salaries and utilities in May-July. Since the funds were a loan until this month, they were not reflected in our operating results. With the conversion to a grant, \$126,511 was now income. Council authorized spending \$17,961 to pay back a loan to our Endowment Fund to help repair the roof in 2015. Council reserved \$20,000 to help cover potential losses for the Nursery School in the 2020-2021 academic year due to reduced enrollment from COVID protocols. Finally, Council authorized \$36,175 for the down payment on the new organ. Those funds will be reflected as income in 2021 when we receive the donations designated for the organ. The final \$52,376 was added to cash reserves raising our current balance to \$151,300.

**Spirit Led, Spirit Alive Capital Campaign Cash:** The current total in our Spirit Led, Spirit Alive account is \$465,605. Total donations for the month of November were \$44,370. The two expenses for the month were for interest on our Mission Investment Fund loan for the HVAC (\$223) and paying down that same loan by \$10,000.

**HVAC System:** The balance on our Mission Investment Fund loan for the HVAC system is \$50,000.

**Building Fund:** Our building fund decreased to \$16,013 during the month of November. Donations totaled \$1,533. There was an expense for two dehumidifiers (\$3,100). Thank you for your continued support of our Building Fund!

### **OUTREACH CAUSE OF THE MONTH - *In-Reach is Outreach Too!***

We often think of Outreach as helping people in need – often focusing on those ‘outside our church walls’. The Outreach Mission Team would like to encourage you to reach *within* our communities this month and be intentional about connecting with one another. During this time of social isolation, the Advent/Christmas season may be difficult. There are many among us – in our Holy Spirit family, our individual families, even our next-door neighbor...who may be experiencing emotional, mental or spiritual struggles.

Let us reach out! Send a card. Take a random page from the church directory and make some calls. Share your story or a scripture verse. Check-in with a distant friend or family member. Intentionally pray for one another. *You are not alone. We are in this together – with God!*

2020 Shelter for the Savior Appeal  
November 29, 2020-January 24, 2021

Plaster House is a home where Tanzanian children with treatable disabilities such as burns from home cooking fires, club foot, cleft palate, and bent legs caused from skeletal fluorosis, can prepare for and recover from corrective surgery. It is one of many ministries envisioned and developed by ELCA missionaries Dr. Mark and Linda Jacobson and many partners. Newly constructed housing now serves 160 children. Lutheran Church of the Holy Spirit has been helping to support the Jacobson's for over 30 years. <https://www.theplasterhouse.org/>

At the moment,

\$4 supports one child for one day at The Plaster House

\$10 provides one special feeding bottle for therapeutic feeding program

\$20 provides shoes/foot abduction brace for one child following clubfoot treatment

\$50 provides 10 locally made reusable diapers

\$100 provides one month of rehab and residential stay for one child

\$200 provides feeding program formula for one child for one month

\$500 provides monthly salary for one therapy staffer

If you would like to support The Plaster House through our Shelter for the Savior appeal, you can send your check payable to Lutheran Church of the Holy Spirit, noting Shelter for the Savior on the check memo line. You may also give online to our congregation ([lchsemmaus.org/](http://lchsemmaus.org/)), noting Shelter for the Savior in the "other" line. If you would like a packet sent to you, which includes a Christmas ornament and greeting card by which you may tell someone you made this gift in their honor, please email Nikki Clark at our church office at <mailto:clark@holyspirit-emmaus.org>

With the holiday's right around the corner, did you know that Holy Spirit is an "AmazonSmile" charitable organization? AmazonSmile is a way to support a charitable organization when you shop. To shop at AmazonSmile, go to [smile.amazon.com](http://smile.amazon.com) on your computer or mobile device and enter Lutheran Church of the Holy Spirit as your designated charitable organization. A great big THANK YOU to everyone who made our first drive-through food basket pick up possible. Our numbers were at record highs with 170 families helped.

The first thank you goes to the volunteers who braved the cold Wednesday for about 5 hours to work the drive-through pick up of baskets and student gifts.

Each family was given a very full box of pantry items, a bag of personal care items, laundry detergent, fresh apples and carrots and a \$25 grocery gift card. The students were given holiday gifts of \$30 gift cards in place of the usual individual gifts.

It was so heartwarming this year to have the outpouring of community support despite the difficulties imposed by the pandemic. It takes ALL of us to make this happen. Even if you think you played a small part - you are all vital to making it possible for us to help these families in our community!

This year was very different for everyone and also for our Angel Network programs. You made it possible for us to:

- Give food boxes to our homeless families at the start of shutdown in March.
- Send grocery gift cards in April, May, June and August to over 140 families.
- Fulfill clothing needs for families on an individual basis.
- Give holiday gifts to 210 students.
- Give emergency food to families when needed.
- Give a large food basket to 170 families this month.

This year has been challenging for so many. We are so grateful for all the school teams and clubs, community groups, churches, businesses, and individual donors that make it possible for us to support East Penn families. We are thankful for YOU!!!

Warm wishes for a Happy Holiday and a Safe and Healthy New Year!
