August 2022
The Place to BEE

September

- 6&8 Preschool Sneak Peek
- 12 First day of school- Pollywogs, Panda Bears, Brown Bears
- 13 First day of school-Tadpoles, Polar Bears
- 15 October Tuition Due

Sneak Peek on Sept. 6&8

The Nursery School staff is excited to welcome our students for a preschool "sneak peek." Sneak Peek provides an opportunity to see the classroom, meet the staff, and turn in school related paperwork. In order to provide a private time for each family, sneak peek will be done by appointment. Families received an email with the Sign-Up Genius link for their child's class.

Tuesday, Sept 6
Pollywogs, Tadpoles: 5:00-7:00
Panda Bears, Brown Bears: 5:00-7:00

Thursday, Sept 8
Pollywogs and Tadpoles: 4:30-7:00
Panda Bears and Brown Bears: 4:30-7:00
Polar Bears: 4:30-7:00

School Forms

- Electronic Payment Form - Due by Aug. 31st
If you intend to pay your preschool tuition via a monthly electronic payment, you need to complete the electronic payment form. The payment can be withdrawn from a checking or savings account or charged to a credit card. This transaction will occur on the 15th of each month from September – April. A new form must be completed each school year. Payment authorizations don't transfer from the previous school year.
- Emergency Form – Due by Sneak Peek
Please be sure to complete both sides of this form. The back side indicates who we may contact in regards to an emergency and who may pick up your child from preschool.
- Medical Form – Due by Sept. 30th
The state of Pennsylvania requires that each child submit a medical form signed by their doctor that verifies that all necessary immunizations have been received (or a waiver signed) and any limitations regarding preschool participation.

School Supplies Needed

Each child should have a regular sized backpack and water bottle for school. The backpack should be large enough to hold papers and projects along. Snack can be sent in an individual container or a lunch box.

Creating a Great Transition to School

- Come to "Sneak Peek"- Visiting or showing the child's classroom to other family members reminds a child where they will be coming to school. Saying "Hello" to the teacher creates a memory of a friendly face as school approaches.
- Read a Story or Talk about Going to School- School talk and pretending about what will happen on that first day sets the expectation for the exciting day's events.
- Put a Family Picture in Backpack- If you think your child might miss you on the first days of school, put a family picture in their backpack. Let the teacher know where to find it so she can have the child pull it out if needed. The teacher will reassure the child and remind them that the grown-up will pick them up at the end of the day.
- Arrival and Pick-Up- Arriving during the "Soft Landing" time (9:00-9:10 or 12:30-12:40) provides a time to settle into the classroom and meet friends. Teachers will be greeting each child and the caregivers. Good-byes, hugs, and a reminder about who is picking up at the end of the school day creates a relaxed routine. A prompt pick-up assures children that a grownup is there, just as promised. Clear and predictable routines provide comfort for young children.
- Tell A Story- After the first couple of days, assist your child in creating a story and telling others about how they went to Nursery School. What a wonderful story it will be!
