Valentine's Day Celebrations

Feb. 13 and 14

Parties will be planned in individual classrooms.

Feb. 13 Pollywogs

Feb. 14 Tadpoles, Panda Bears, Brown Bears, and Polar Bears

Service Project: The Valentine cards made by our students will be sent to Holy Spirit's Shut-Ins.

Conferences

Nursery School conferences will be held in late February (Bears) or early March (Frogs). Your child's teacher will coordinate dates and times for a personal conference. Conferences will be held while students have regularly scheduled class that day.

Please talk with the teacher if you have questions or concerns before that time.

February Chapel

The chapel lessons in February will focus on being a good friend, neighbor and follower of Jesus.

Nursery School Service Project

The Nursery School staff and students are invited to help foster children through The Kindness Project. We are collecting new children's and youth pajamas.

The Kindness Project provides free support to foster families throughout eastern PA by supplying clothing, shoes and essential items for children in their care. The collection will run from February 6-24th.

2023-2024 Registration

Limited openings remain for 2023-2024 school year. Encourage a friend or neighbor to call for a tour. We appreciate your referrals.

Original Works Keepsakes

We are excited to announce that we will be partnering with Original Works art-based fundraising!

Students will create artwork that you then can have reproduced onto a variety of keepsake products. The products range from magnets to mugs and start at just \$6.00.

Complete details on the program will be sent home soon. Proceeds from the program will benefit the preschool. For more information on Original Works, please visit www.originalworks.com. Thank you for supporting this unique and creative program!

As part of this program, your child will bring home a preview magnet featuring their artwork. The preview magnet may be purchased, or returned without obligation. If you would rather not participate in the program, please return the Opt Out form to your teacher.

Read Across America Week

Happy Birthday Dr. Seuss! The National Education Association challenges us to make certain that every child reads in the company of a caring adult. Nursery School children will read Dr. Seuss stories and participate in Seuss activities during the week.
