## Join us for Online Worship at home on Sundays.

## We continue to stream our Sunday morning worship services on Zoom. We welcome you to join us.

When you click on the link below, you will join our meeting and be automatically muted. This means the people in the meeting will not hear your voice. This is normally a setting you can control, but as we expect a lot of participation, we are automatically muting all participants.

If you opt for video, please be aware you will be seen by all participants. Jesus and jammies are ok, however, please keep it "G" rated.
