As always, all of you at Holy Spirit make this possible with your generosity of both time and items. In twenty-two years, we have never missed our goals!! Really, that is AMAZING! Angel Network can't thank you enough! So once again, please accept our gratitude and sincere thanks. We have the best partners who open their hearts to help those in need. You have all made a difference in the lives of those EHS students and families who found it just a bit easier to make ends meet. Thank-you from the bottom of our hearts. May is Mental Health Awareness Month.

There are hundreds of mental disorders. The most common include Anxiety, Depression, PTSD, Bipolar Disorder, Personality Disorders, and Obsessive-Compulsive

Disorder, to name a few, but the list of diagnosed disorders goes on and on. Fortunately, resources and help are available.

Recognizing mental health issues and finding the courage to ask for help can be challenging. Lehigh County operates a Warm Line 24/7, which provides support and information about available services. The number is 1-833-899-1331. The Hot Line is for individuals in crisis who may pose a danger to themselves. Call 911 or the Lehigh County Crisis Intervention service at 610-782-3127; in Northampton County, call 610-252-9060, or to reach the national suicide hotline, call 988. Other local resources include the National Alliance on Mental Health (nami-lv.org), located at 802 West Broad St, Bethlehem, PA. 18018. Phone 610-882-2102. Both hospital networks, Lehigh Valley Health Network and St. Luke's University Network, offer behavioral health services. Additionally, there are numerous private counseling services throughout the Lehigh Valley.

If you believe you may have a mental illness, there is no need to endure the suffering and pain alone. If you suspect that someone you know is struggling with a mental illness, the best approach is to be patient, empathetic, and understanding while providing support and reassurance. Engage in an open, non-judgmental, gentle conversation with them. Such a discussion should come from the love and concern you have for this individual.
