Kindergarten Registration

If you have a child who will be 5 on or before September 1, 2026 and will be attending kindergarten in the East Penn School District, registration opens March 1.

The link for registration and additional information can be found on the [East Penn School District homepage](#) as well as the various elementary school webpages.

Children must be registered to receive an invitation to kindergarten orientation.

Preschool Registration

Registration continues for the 2026-2027 school year. Limited openings remain. As classes fill, a waiting list is formed. We appreciate the many referrals you have made to friends and family members. If you refer a new student and they sign up and register prior to March 31st, you will receive a \$50 credit for an extended day program.
